RAPID SOLUTIONS

PeopleSoft Enterprise HCM 9.0 Rapid Upgrade

Optimum's Rapid Upgrade fixed-price program delivers the latest version of PeopleSoft HCM in the shortest amount of time. Our industry-leading practitioners can help ensure your upgrade success and speed time-to-value by leveraging our best-in-class RapidSolutionsSM methodology and HCM Accelerator Toolkit. Our approach enables your staff to quickly be productive on HCM 9.0 and lays the foundation to implement new, more robust features, functions and modules.

Benefits and Deliverables:

- >> Rapid 14-16 week upgrade of PeopleSoft HCM 9.0 by the industry's foremost implementer of 9.0
- >> Fixed-price program defines costs upfront and allows measurable return on investment
- >> Eliminates the two-step upgrade requirements for 8.0/8.3 clients through proprietary scripts
- >> Utilizes our RapidSolutionsSM best practice methodology and HCM Accelerator Toolkit to speed time-to-value and reduce risks
- >> On-site collaborative team ensures knowledge transfer is an integral component of all project phases
- >> Our HCM 9.0 Innovation LAB environment provides an immediate reference system for training and design

"Optimum was the clear choice to lead our global PeopleSoft HCM upgrade."
